Learning Objectives for Participants

At the conclusion of this seminar, the participant should be better able to:

1. List and describe several characteristics and qualities of an effective teacher.
2. Be prepared to discuss how adult learning theory is used in medical education.
3. Determine differences between “Goals” and “Objectives” .
4. Be prepared to incorporate tips and tools for teaching on rounds or in clinic.
5. Embrace the challenges of giving and receiving feedback.
6. Initiate steps for identifying and assessing a learner with challenges.
7. Differentiate between mentoring, coaching and teaching and when each can be used alone or in concert.

Accreditation

In support of improving patient care, this activity has been planned and implemented by the Children’s Hospital of Philadelphia. The Children’s Hospital of Philadelphia is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit

Physicians: Children’s Hospital of Philadelphia designates this live activity for a maximum of 28.0 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
