19:00	20:00	WELCOME RECEPTION & DINNER	DINNER	DINNER	DINNER	DINNER	GRADUATION DINNER Certificates Awarded			
20:00	21:00					<i>20:30 - 21:30</i> CHAMBER MUSIC CONCERT				

Learning Objectives for Participants

At the conclusion of this seminar, the participant should be better able to:

1. Review the clinical presentation and course of respiratory distress syndrome.
2. Describe the epidemiology of apnea of prematurity.
3. Review the clinical presentation and management of neonatal seizures, and treatment of HIE with therapeutic hypothermia.
4. Understand the principles of simulation education.
5. Review the principles of enteral and parenteral nutrition.
6. Describe the pathophysiology and management of NEC.
7. Review neonatal resuscitation and delayed cord clamping after birth.
8. Describe quality improvement and patient safety principles in the NICU.

Accreditation

In support of improving patient care, this activity has been planned and implemented by the Children's Hospital of Philadelphia. The Children's Hospital of Philadelphia is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit

Physicians: Children's Hospital of Philadelphia designates this live activity for a maximum of 30.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
